modern infrastructure to support academic excellence. Our digital classrooms are equipped with advanced technology, creating an interactive and engaging learning environment. In addition to our outstanding infrastructure, we place great importance on fostering the holistic development of our students by encouraging their active involvement in a range of community-oriented programs.

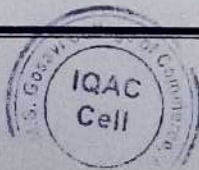

NSS unit of our college have accomplished commendable work by planting saplings, which have now transformed the institution into a beautiful green belt, providing a pleasant and refreshing ambiance. The NSS students had actively participated in a range of programs, including clean and green initiatives, both within the institute and through special camps organized at the village level. NSS Unit of our institution took the initiative to conduct of Blood Donation Camp, additionally, they actively engaged in other activities such as Aids awareness campaigns for the community outreach initiatives aimed at spreading awareness about HIV/AIDS and promoting healthy lifestyle practices.

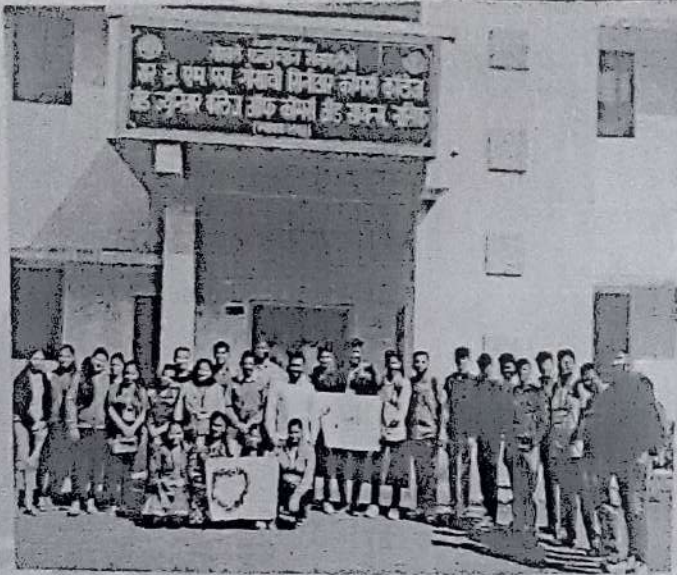

Our college firmly believes in the transformative potential of a comprehensive infrastructure that significantly enhances our students' overall educational experience. We extend our commitment beyond the campus boundaries, aiming to enrich the lives of individuals in our community through active community engagement.
